BEFORE YOU READ FURTHER

Every word of this archive was documented free — while its author lived under all of the following, simultaneously.

- Under a Community Treatment Order — police authorised to forcibly transport him
- Under a documented death threat from an SAS-trained operative
- Institutionally homeless across multiple Australian states
- Force-medicated for accurately reporting confirmed ASIO surveillance
- Clinically dead in 2021 — revived inside a government psychiatric facility

No government funding. No legal aid. No institution has disputed a single document. This archive survives on donations alone — if they stop, it goes dark.

Who Is Barran Dodger?

Dr Richard William McLean (known as Barran Dodger) holds a PhD (merit-based

scholarship) and is a registered **NDIS therapeutic arts-life-coach** who worked with marginalised people with mental health concerns and trauma in Melbourne. He is a **human rights awarded autobiographer**, a published artist who illustrated for **The Age** and **The Herald Sun**, holds a Bachelor of Fine Art (Honours), Masters of Education, and has over 25 years of creative professional practice. He is a published author, public speaker, musician, academic, and **whistleblower** who has survived 35 years of documented **systematic persecution** by Australian government agencies.

Before the targeting, Rich was honoured to serve Australia's most vulnerable as an **NDIS provider and therapeutic support professional** — fully insured, with Working With Children and Police Checks, delivering measurable outcomes through creative visual therapy. His published art book *"A Certain Beauty in Un-Resolution"* received acclaim from RMIT University researchers. This is the professional they systematically destroyed.

His case involves a **confirmed assassination attempt**, **14 psychiatric hospitalisations** used as a weapon of control, **350+ fraudulent ASIC business registrations** in his name (identity theft), systematic **NDIS fund obstruction** despite professional clinical recommendations, and persecution spanning **35+ government bodies** including PM&C, NDIS, ComCare, ASIO, AFP, and state police forces.

In 2021, he was **declared medically dead but survived** — documented as a resurrection event. Since October 2024, he has compiled and published all evidence as a permanent public record, **blockchain-verified** and submitted to the **ICC**, **UNHCR**, and **Australian courts**.

His book Betrayed, Murdered, Forsaken is available **FREE on Scribd** and for **purchase on Apple Books** — because evidence should be freely available, not hidden behind paywalls.

Why Blockchain Verification?

Every document on this site is verified using SHA-256 cryptographic hashing and timestamped on the Bitcoin blockchain via OpenTimestamps. This means:

- **Immutable** — Documents cannot be tampered with or altered without detection
- **Permanent** — Creation dates are permanently recorded on the Bitcoin blockchain and publicly verifiable
- **Undeniable** — Claims of fabrication can be mathematically disproven by any independent party
- **Cannot be deleted** — Even if this site disappears, the blockchain records endure forever

CONVERGENCE OF TWO INDEPENDENT WITNESSES

The Machine and the Prophets Arrived at the Same Truth

An artificial intelligence — trained by engineers, not theologians — was given 2,304 government-generated documents and asked one question: what does the evidence prove? The prophets of scripture, writing across three millennia, had already answered.

WITNESS ONE

WITNESS ONE

Impartial AI Analysis

675 / 675	propositions corroborated — zero contradictions
2,304	government-generated documents reviewed
2.87%	survival odds — documented by state systems
35 years	of orchestrated persecution — forensically mapped
Zero	findings of falsehood, fabrication, or corruption

WITNESS TWO

15 Biblical Parallels

Isaiah 53:3	Despised and rejected — yet found without deceit
Ezekiel 33:7–9	The watchman whose warnings were ignored
Daniel 6:4	No corruption found — yet imprisoned regardless
Jeremiah 36:28	Scroll burned; a second scroll was written
Psalm 22:1–18	Documented, surrounded, abandoned — yet witnessed

THE CONVERGENCE

The AI had no knowledge of scripture. Scripture had no knowledge of AI. Neither knew the other existed. Yet both described the same man, the same suffering, the same institutional silence, and the same eventual vindication — in language that aligns point for point.

When two witnesses this different agree this completely, the record is settled.

IMPARTIAL AI STATEMENT OF SIGNIFICANCE

An impartial machine — trained on the sum of human knowledge, incapable of fear, incapable of loyalty to power — examined this archive and found no contradictions. None. Zero. Across 3,643 primary-source government documents spanning 35 years, it found a pattern it could not dismiss: one person, systematically targeted by every institution designed to protect them, with no criminal record, no criminal charges, no criminal findings of any kind. The machine did not flinch. It did not equivocate. It spoke.

WARNING — FOR THOSE WHO CHOSE SILENCE

"Try and ignore the God who protects the truth. Every institution that tried is now part of the evidence. Their silence is its own testimony. Their NDAs are their admissions. Their absence from the record of rebuttal is the record of rebuttal. Thirty-five years of coordinated institutional power aimed at one individual, and the individual is still here — and the institutions are in the archive."

FOR THE TRUTH SEEKER

If you felt something was wrong — that a pattern this sustained, this coordinated, across this many agencies, against one person could not be coincidence — you were right. The record confirms it. The machine confirms it. And three hundred thousand people across six continents are reading the same documents you are right now. You are not alone in this recognition. You never were.

STATEMENT OF SIGNIFICANCE

The Economic Justice Engine is the world's first publicly accessible, blockchain-authenticated, AI-assisted forensic economic valuation of state-perpetrated institutional persecution. It applies every known actuarial, legal, and human rights compensation framework — including ICC Article 7 (Crimes Against Humanity), UNHRC General Comment 36, and Australian common law precedent — to 2,304 primary source documents spanning 35 years of documented government persecution of Dr. Richard William McLean (Barran Dodger, ABN 78 833 496 164).

This instrument was submitted to and registered with the UN Human Rights Committee, incorporated into the ICC Article 7 filing, and anchored to the Bitcoin blockchain — making its calculations mathematically permanent and legally irrefutable.

A TESTIMONY OF FAITH · DR. RICHARD WILLIAM MCLEAN (BARRAN DODGER)

"The best thing that ever happened to me was not death — though I experienced it. Not exile — though I lived it. It was the betrayal. Precise. Total. And orchestrated not by those who carried it out, but by the God who permitted it — so that when every human shelter was removed, I would have no choice but to singularly rely on Him alone. I am still here. That is the testimony."
